

## **ST. LUKE'S CHILDREN'S KID FOR A NIGHT**

### **AUCTION TERMS**

By participating in the Kid for a Night auction, you hereby acknowledge and agree to the following Auction Terms:

All auction items are described to the best of St. Luke's knowledge and auctioned "as is." St. Luke's does not make any representations or warranties of any kind, express or implied, with respect to the items being auctioned.

The auction items may include services and experiences. These items may have expiration dates or other conditions regarding when they may be redeemed. The donors offering such services and experiences may also require individuals to sign a waiver of liability when redeeming these items. St. Luke's is not responsible for, and has no control over, the terms of redemption, and there will be no refunds or exchanges for services and/or experiences you cannot or choose not to redeem. Please bid accordingly.

The auctioneer will identify the highest and winning bidder for items during the live auction. In the event of a dispute between bidders, the auctioneer has sole and final discretion to determine the winning bidder. All winning bids are final, and St. Luke's will not offer refunds or exchanges on any auction items.

The purchase of auction items is subject to sales tax and is generally not tax deductible except for any amount the winning bidder pays in excess of an item's fair market value. You should consult a tax advisor if you have questions regarding the deductibility of an auction purchase.

St. Luke's reserves the right, in its sole discretion, to remove any item from the silent or live auction at any time. If the winning bidder has paid for an item but not yet received it, St. Luke's may choose to refund the payment received and no additional remedy or compensation will be available to the winning bidder.

By participating in this auction, you agree to indemnify and hold harmless St. Luke's Regional Medical Center, Ltd., its affiliates, and its and their respective officers, directors, employees, and agents from any liability arising, directly or indirectly, in connection with the Kid for a Night auction, including from the use, consumption, or redemption of auctioned items.
